

## 2020

We have been truly blessed in 2020. Despite Covid, we have continued to stay full or at near our capacity of 22 men. Eight residents have successfully made the transition into their own apartments, with others looking for housing. We continued to meet every Monday, Wednesday, and Friday for bible study.

Also, when churches were closed, we would meet in the conference room and worship together via Zoom. One Sunday a month in June through October we held a worship service in the garage behind the Master's House. Pastor Jason (Livingstone) and Tim Wendt supplied the messages. With churches closed it was nice to get together for worship, fellowship, and a meal.

Tim Wendt has joined the staff of KB and has been a true blessing. As staff, along with the board, we are continuing to explore options for expanding this ministry to include women. We have looked at a few apartment buildings, but nothing seems to be a good fit.

KBPA has decided to consider building a new facility that would expand our capacity to approximately 40 men and 20 women. It would include offices, conference rooms, and a possible worship center. For this to become a reality, we will be exploring fundraising ideas, building designs, and locations.

Please pray for the board and staff in this exciting time as we begin 2021. We need your prayers for guidance (open and closed doors) and the needed finances to accomplish this potential new and expanded ministry.

With you, serving Christ!

Jeff Haverhals - Ministry Director

## New Resident Donald

How long incarcerated? 4 years

Please pray that:

- 1) I can have reconciliation of family relationships that my actions have hurt.
- 2) I can have guidance from the Lord as I seek to follow Him every day and pursue the ministry that God has called me into.

*God, thank You for sparking new life in what appeared to be dead. Continue to work in me, that I might share Your saving love with others.*
