WRITTEN BY ONE OF OUR CURRENT KB RESIDENTS

My name is Jamie. I am divorced and have a 7-year-old son, a 10-year-old son, and a 23 year old daughter. I have lived in Sioux Falls since 1997. I graduated from high school in Webster, SD in 1994. I graduated from Colorado Technical University with degrees in "Information Technology" and "Business Management." I have had several types of jobs including being a diesel mechanic, so I guess I am sort of a "jack of all trades".

I went to prison in 2016. While incarcerated I learned that I never want to go back there. While incarcerated I worked in the welding department for four years. I had a great boss and enjoyed my job. My welding job and the Living Stone Church helped my prison stay go much better.

Kingdom Boundaries has helped me get back on my feet. It was much easier with KBPA's help, than going at it alone. I was able to move forward faster with their help and support.

Even though I am employed, my goal is to find a good long-term job and an apartment. Also, I want to get back in my kid's lives and be a father again.

Jesus, give me the grace to practice Your ways by the power of the Holy Spirit.
Empower me to live my life in a way that bears the fruit of the Spirit.
