

# “Every Stone is Precious”

by Timothy Bariteau – May 9, 2022

We are KB! We provide a safe and secure, caring home for men transitioning out of prison and back into society after doing months, years or even decades behind bars.

Society may reject a person who has made mistakes in their past, treating them as an outcast, a pariah, a has been...assuming they will never change.

But we have **SEEN** people change!

We have **SEEN** lives turned around!

We have **SEEN** dignity restored & lives transformed!

We have **SEEN** families reunited & healed!

Of course, this will NEVER happen if we continue to dismiss someone, writing them off as a hopeless, worthless waste of time. (Which often is what happened to them as children, leading them down the wrong path in the first place!)

Because the **TRUTH** is that even though WE may not like a person because of what they've done...

Even though they may wear a tough mask and an unpleasant facade...

Even though they may have a rock-hard personality and a stony heart, embittered by rejection and mistreatment for years...

God says that EVERY human heart is valuable, like a precious stone!

So, just because WE may not recognize someone's worth does not mean God doesn't see them with eyes of compassion, forgiveness, and love! After all, NOBODY deserved what Jesus did for ALL of us at the Cross! But He still endured it because He saw the treasures hidden deep within EVERY human heart!

## *EVERY 'stone' is precious to Him!*

Instead of ignoring and disregarding former criminals, by loving them no matter what choices or failures they've made and communicating to them the message that God sees GREAT VALUE in them, like a hidden treasure--and so do we--hearts can be healed, leading to more wisdom in decision making because they began to realize their True worth!

But, we can only do so much with the limited resources we have. We can't reach as many people coming out of the prison systems as we would like.
